

Dubai SME Members' Evaluation Program

Program Overview

Purpose

- This program is aimed at helping grooming Dubai SME's members to become bigger, better and more productive enterprises

Objectives

- Raising greater awareness of the importance of SMEs development
- Creating a competitive spirit among Dubai SME's members in the business community
- Encouraging Dubai SME's members role models to share their best practices in management
- Creating opportunities by bridging the trust gap between buyers and Dubai SME's members
- Creating a culture of transparency, corporate governance, and best practice sharing

Evaluation Themes

Unlike other evaluation programs which are based mainly or purely on financial indicators, this program places a balanced emphasis on financial and non-financial dimensions that affect enterprise performance and development.

Financial Themes

- Growth Performance
- Credit Performance

Non-Financial Themes

- Innovation
- Digital readiness
- Corporate Governance
- Corporate Social Responsibility
- Supplier Relationship Management
- Human Capital Development

Eligibility Criteria

- Have to be Dubai SME member
- More than 3 years operating in the market

Process

- Log onto the website: www.sme.ae
- Fill the questionnaire and provide the required documents
- Receive the final performance feedback report
